

Without the ability to self assess not only are you denying yourself an opportunity to see exactly where you are, but you are also denying yourself of moving forward to the path of where you want to go..

Here is 5 simple questions you can start to ask yourself on a daily, weekly, or monthly basis:

What Skills can I develop that would enhance my current position and expand my necessary skills for the future development of my business?

What areas of personal growth do I need to dive deeper in to enhance the future of my business?

What leadership skills do I need to develop?

Where could I improve my ability to lead with virtue and adding value?

What am I currently doing to provide balance between self care, my business, and maintaining a personal life?
